**About The Award**

The Connecticut Quality Improvement Award, Inc., America's first state-level quality award, was founded in 1987 utilizing the Malcolm Baldrige National Quality Award for Performance Excellence criteria in an effort to advance innovative programs that improve quality, performance, and marketplace competitiveness.

The Connecticut Quality Improvement Award (CQIA) recognizes leading manufacturing and service companies that excel in managing quality improvement for business success and growth.

**About Intelisearch:**

Intelisearch is a new model leadership search firm with multi-functional expertise offering measurable ROI and metrics-backed accountability. Its team-based approach, reproducible processes and unique assessment methodologies consistently produce alternately unavailable talent. The firm is recognized for its process efficiencies, consultative value and unrivaled completion history.
